KIDS IN THE KITCHEN

Hands-on fun for kids

Join us for Kids in the Kitchen at Flavour Fest this year for a whole host of food fun for the children. With a variety of different activities for them to see and do, it's a great opportunity for children of all ages to get hands on with food.

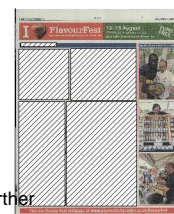

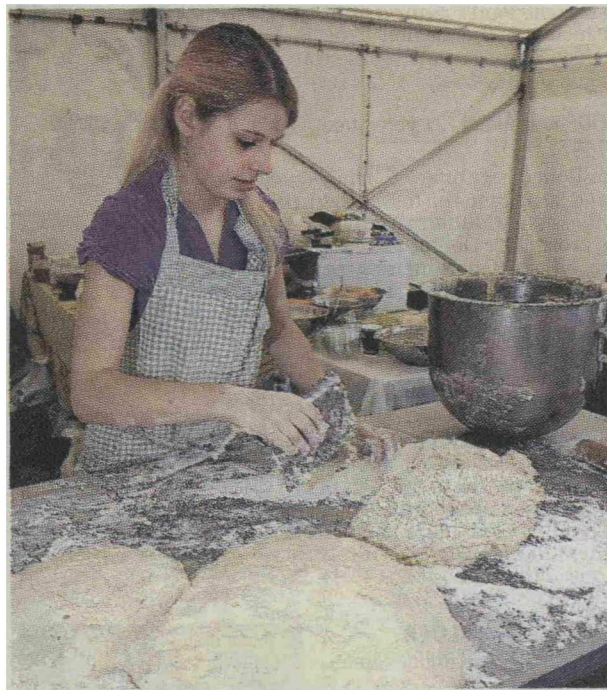

Test your food knowledge with the **Slow Food** UK Taste Adventure – see, smell, touch, hear and taste different food types to complete your Taste Passport.

There will also be the opportunity for children to make their own yummy treats – whether they like pizza, pasta

or cupcakes there is the opportunity for them to get involved and make their own with our daily activities programme!

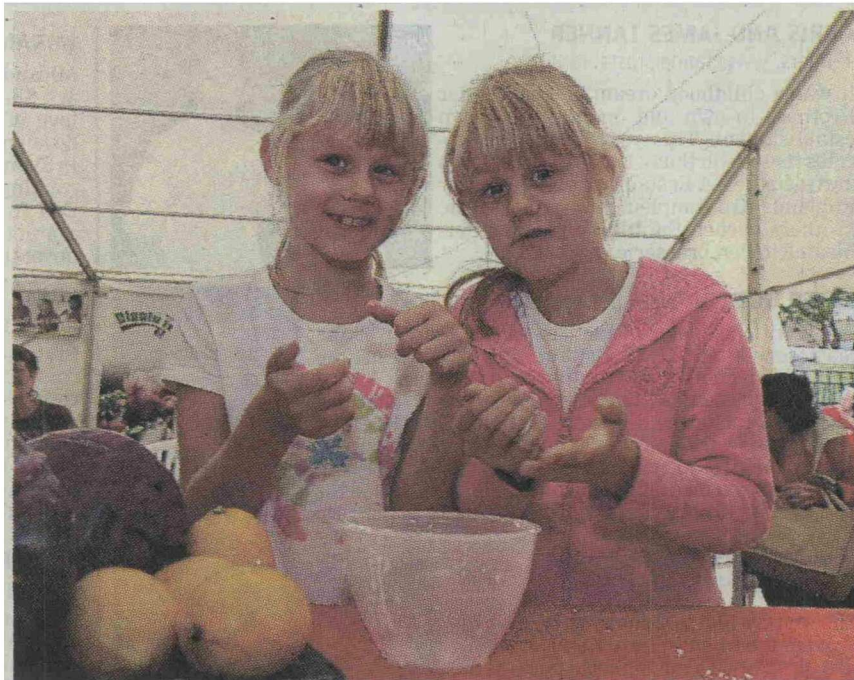

There is also the opportunity for children to watch chefs from the main stage of the cookery theatre in our Kids in the Kitchen demo area, while Mum and Dad have a seat in the Kids in the Kitchen Café run by the volunteers from the Children's Hospice.

With face painting and lots more to see and do it's a great place to get your children involved in food at Flavour Fest!
